

## CUTS IN FUNDING

Cuts to Common Agricultural Policy (CAP) 30/10/12

Heading of the MFF	Final	2007-2013 MFF	Final compared to 2007-2013 MFF

As we can see from the chart above, cuts made to the targeted and more environmentally sensitive rural development program, 2007-2013 and 2014-2020 are much more severe than those made to the untargeted direct payments program.
