EXPERIENCES AND REFERENCES

List references:

A circular woven basket, likely made of reeds or bamboo, featuring a central decorative ring with a white circular center and a small metal ring at the top for hanging.

A round, deep, woven basket with a lid. The basket is made of a dark brown material, possibly wood or bamboo, woven in a complex, dense pattern. The lid is also woven and has a small, round knob in the center. The basket has a wide rim and a slightly flared base. The overall appearance is that of a traditional, handcrafted storage container.
