

**WWF** *for a living planet®*

ALMEE

*ALMEE in cooperation with WWF invites you to participate to the:*

***Renewable Energy “Think Tank Workshop”***

*on the state of renewable energy potential, strategy, policy and action plan in Lebanon.*

*The workshop is meant to have answers to the following questions:*

- 1) what needs to happen urgently in Lebanon in the field of efficiency and renewables?*
- 2) who needs to do what, and more specifically what is the role of the civil society?*

*The recommendations of the workshop should define potential activities and the building of partnerships between WWF and local players in the frame of the Mediterranean Solar (Hot) Spot project – Preparation Phase.*

**Location: Hotel Jefinor Rotana – Clemenceau Street -Hamra - Beirut**

**Date: Friday, 8<sup>th</sup> of July 2011 - From 9h to 17h**

**Please confirm your participation before the 4<sup>th</sup> of July to Tony Matar:**

**[tmatar@dm.net.lb](mailto:tmatar@dm.net.lb)**
