JOB DESCRIPTION

Position title: Mobile App & Web Developer

Reports to: Communication Manager

Start Date: Immediately

About World Wide Fund for Nature, Singapore (WWF)

WWF-Singapore is a Singapore-registered charity, part of WWF International – one of the world's largest and most respected independent conservation organisations. We protect critical resources for people in Singapore by driving change across government, business, civil society and local communities. To meet key conservation goals, we address issues such as deforestation, haze pollution, seafood sustainability and illegal wildlife trade in Singapore and around the region. As one of WWF's global hubs, WWF-Singapore supports a global network that spans over 100 countries.

Major Functions:

Reporting to the Communications Manager, the Mobile App & Web Developer is responsible for coding, maintaining and modifying websites and API services.

As a Web Developer, you will:

- Develop, maintain, debug and enhance new and existing mobile and web applications.
- Design and develop applications end-to-end - including database models and application logic.
- Understand application process flow and function list, and develop according to the scope of work.

Qualifications:

- Candidates should possess at least a Diploma or Degree in Computer Science, Information Technology, Computer Engineering or Science & Technology
- Minimum 1 year experience in creating Android/iOS Mobile Application, GUI & Web Developing.
- Experience in REST API Services (JSON/XML format) and working with Ajax frameworks like JQuery
- Experience with Apache Server
- Excellent knowledge of PHP5, JavaScript, CSS and HTML5
- Specific experience with jQuery & AJAX applications
- Familiarity with relational databases - MySQL
- Experience in developing HTML5 and APPs on Facebook platform will be an advantage

This job description covers the main tasks. Other tasks may be assigned as necessary according to organisational needs.

Interested candidates should email a CV and a cover letter with the title "MOBILE APP & WEB DEVELOPER" to hr@wwf.sg.

Deadline for applications: 30 September 2017
