Apply for the 3rd Dinaric Arc Parks conference!

We invite you to reserve the date for the Dinaric Arc Parks conference! After last year, when Budva, Montenegro hosted our conference, this year, the 3rd Dinaric Arc Parks conference will be held in Brijuni NP in Croatia in the period of 6-10 October. The main topic of the conference will be sustainable development.

European Charter for Sustainable Tourism verifiers visiting 5 Dinaric Arc Parks

5 Dinaric Arc Parks applied for the European Charter for Sustainable Tourism, certificate given by Europarc Federation. Due to their nomination, independent verifiers visited Una National Park (BiH), Medvednica and Lonjsko Polje Nature Parks (Croatia) and Fruska Gora National Park and Gornje Podunavlje Special Nature Reserve (Serbia).

First national conference of protected areas in Albania

In mid-June, more than 50 specialists, experts and managers of protected areas gathered in Tirana for the first National Conference of Albanian Protected Areas, an initiative of WWF in collaboration with INCA and the Ministry of Environment. They discussed on the current situation of protected areas in Albania, discrepancies between existing legal framework and law enforcement...
