the world undiscovered

[www.discoverdinarides.com](http://www.discoverdinarides.com)

E-newsletter for the WWF project "Dinaric Arc Parks" aimed at creating a platform of protected areas from Slovenia to Albania, capacity building for the employees in parks and branding of Dinarides.

October 2013, V edition

## Second Dinaric Arc Parks International Conference will start with Big Win II

WWF is organizing 2nd Dinaric Arc Parks International Conference in Budva, Montenegro, on 2nd December. The conference will start with signing of Big Win for Dinaric Arc, a very important document with new commitments of all regional ministers for nature protection. The conference will be opened by the European Commissioner for Environment, Mr. Janez Potocnik.

## Protected Areas Benefit Assessment workshops in NP Triglav and NP Fruska Gora

Dinaric Arc Parks project team continued to work on assessment of protected areas in the region. After all the Macedonian parks, parks in Bosnia and Herzegovina, the majority of Croatian and Montenegrin parks, the assessment was made in Slovenian National park Triglav and in Serbian National park Fruska Gora.

## Dinaric Arc Parks with new activities in Albania

Ministry of Foreign Affairs of Norway is financing new activities in national parks of Albania as addition to Dinaric Arc Parks project. The aim of the project is to connect Albanian national parks with the rest of the protected areas in the region that are a part of Parks Dinarides; to make capacity building for protected areas employees and to raise awareness on importance of the protected areas in Albania.
