

Pan European 2020 Strategy for Biodiversity: Regional Biodiversity Priorities

TEEB Scoping Study for Georgia
Inception Workshop
28 May 2012

Ivonne Higuero
Programme Coordinator
UNEP Regional Office for Europe

Pan European Biological and Landscape Strategy

- Endorsed by the Third Ministerial Conference *Environment for Europe* in Sofia, Bulgaria in 1995
- Kyiv Biodiversity Resolution with key 2010 biodiversity targets adopted by the Fifth Ministerial Conference *Environment for Europe*
- *Post 2010: Where to after mixed achievement of the 2010 Biodiversity Targets?*

2020 Biodiversity Strategy

- Pan European biodiversity cooperation and the coordinated national implementation of biodiversity-related Multilateral Environmental Agreements

2020 Biodiversity Strategy Action Plan

- Streamline activities to facilitate the implementation of the Nagoya Strategic Plan:
 - Re-establishment of the Biodiversity Service for National Biodiversity Strategies and Action Plans (NBSAP)
 - Biodiversity indicators
 - Invasive Alien Species
 - Capacity Building on the CBD protocol on Access to Genetic Resources and Benefit-Sharing
 - Integrating biodiversity into agricultural policies and practices
 - Mountain ecosystems
 - The wilderness agenda
 - TEEB implementation in the pan European region

First actions underway

- TEEB Scoping Study for Georgia in cooperation with the TEEB Secretariat
- Capacity building project funded by Norway
- Biodiversity in Europe Conference, Spring 2013 (Georgia?)
