

Dreketi River Catchment GIS Consultancy

WWF-Pacific is seeking an individual **GIS** Consultant to develop a watershed map for the Dreketi River catchment. The Consultant will report directly to the Project Manager for the: **Pacific Ecosystem Based Adaptation to Climate Change (PEBACC) Project** being implemented by WWF-Pacific with funding support from the Secretariat of the Pacific Regional Environment Programme through the PEBACC project. PEBACC is working with WWF-Pacific to support the broadening of the Qoliqoli Cokovata management plan to include management of land-based activities that impact the Dreketi River Catchment

Duration:

The Consultant will be required to work for 21 working days over the period: **May -July 2020.**

Terms of Reference (TOR)

For more information on this work, please see the TOR document published alongside this advertisement.

How to Apply?

If you have the relevant experience and qualifications, you are encouraged to send a cover letter, including a complete CV with full contact details of two referees, plus Taxation exemption certificate (if eligible), Tax identification number (TIN) and Consultancy daily rate.

Applications should be sent via email to ppo.hr_recruit@wwfpacific.org with the subject line **Dreketi River Catchment GIS Consultancy.**

Deadline for applications: 4.30pm (Fiji ST) on Thursday, 07 May, 2020
