

## Indications for participation & Public consultation form

In order to be taken into consideration during the consultation process, all comments submitted by stakeholders have to meet the following requirements:

- ✓ must be sent via e-mail to: [CNRA@lemncontrolat.ro](mailto:CNRA@lemncontrolat.ro)
- ✓ must be submitted in the public consultation period: **February 16, 2017 - March 19, 2017**
- ✓ comments must be written in English or Romanian
- ✓ filling the fields marked with "\*" is strongly recommended
- ✓ comments must be included in the public **consultation form**

**Note!** In order for the proposals to be taken into consideration, these must be supported by technical arguments and clear evidence (eg. indication of legislative reasons, current practices and procedures, studies, statistics, etc.), providing the source of information, as appropriate (links, relevant documents, etc.)

**Note!** Personal data submitted in the consultation forms will not be made public.

**Note!** All comments sent by the interested public will be considered during the analysis later made by CNRA experts. They will form the basis for CNRA developments that will be further analyze and approve by the FSC International Policy and Standards Unit. The CNRA approval and publication for Romania is estimated for September 2017.
